

2012 1X Funding-Approved

AGENCY	BRIEF DESCRIPTION	Requested	Approved
Children's Advocacy Center	CAC is requesting funds to purchase needed equipment including a conference room table (\$719), a laptop computer (\$675), a color printer (\$470), and a supply cart (\$34).	\$1,953.00	\$1,783.00
Children's Advocacy Center 2	CAC is asking for emergency wrap around funding to purchase gas cards for clients where transportation is a barrier to service	\$150.00	\$150.00
PFH	PFH would like to provide a camp this summer for high risk youth. The summer camp will focus on Social Entrepreneurship. The theme will be Creating Change to Create Change. The youth will work in groups or collaborative teams to develop a product around an issue relevant to today's youth. The youth will have the opportunity to meet with local business owners to learn about business skills and development. They will also get to work with a representative from the Youth Bridge Social Enterprises & Innovation Contest. They will develop a small business plan, a name for their business, a logo, etc. At the end of the week they will have a portfolio of their business and product. Local business leaders will be asked to vote on which one is the best concept.	\$10,511.00	\$7,511.00
PFH	PFH would like to funding to give access to more youth using the virtual counseling. This would be done by providing internet access to these youth so that they may participate in the virtual counseling program. This portion of the request is \$3,900. PFH is also asking for consumable supplies to be used during prevention activities at the schools and in the community in the amount of \$12,775 and non-consumable games, dvds, and displays to be used to teach clients and the community about drug abuse and use in the amount of \$4,511	\$21,186.00	\$21,186.00

SOG	Grace's Place is requesting \$1000 to purchase gas cards in order to help transport children to and from the facility. Transportation has been found to be a huge barrier. They are also requesting \$657.97 in order to purchase a higher capacity printer and two toner cartridges.	\$1,657.97	\$1,657.97
LFCS	LFCS is also requesting funding for a pilot project which will work with parents of 0-5 year olds who are at a high-risk for abuse or neglect. This would be done through case management where the case manager would meet with the parent either at their home or in the community to work on specific skills such as managing stress and anger, developing nurturing routines, developing empathy, rewards and punishments, understanding discipline, and managing and communicating feelings. This would be done at a unit cost of \$80 per hour. Additionally they are requesting \$1500 in wrap around emergency funding for these families.	\$7,100.00	\$7,100.00
CHC	Crider is requesting \$2500 to bring a one day training to Franklin County providers on emotional regulation practices. They are also requesting \$7,500 in wrap-around emergency funding. They are also asking for \$1156 to purchase therapeutic learning resources such as feelings workbooks, manual on using games in a therapeutic setting, talk blocks, etc.	\$11,156.00	\$11,156.00

2012 1X Funding-Approved

PORTALS 1	Portals would like funding to do an educational and outreach campaign for the website that we funded last year that teaches parents skills about bullying/teasing. The outreach would be through the schools, through theaters, and bowling alley advertising. This will drive traffic to the website therefore teaching more individuals about the effects of bullying and teasing and what to do if their child is being bullied.	\$12,069.00	\$6,787.00
PORTALS 2	Portals would like to initiate a pilot project in which they will train at-risk teenagers to be leaders to K-5 <sup>th</sup> graders during a bullying prevention clinic. This program serves many different aspects working with high-risk youth to give them new skills and teaching youth about the effects of bullying and teasing.	\$7,163.00	\$7,163.00
