1	CAC	CAC is requesting funding for take away items for youth to assist in the engagement of parents in the conversation. These include Let's Learn about Safe and Unsafe coloring books, My Safe Body workbook, Personalized crayons, Stress Balls, Warning Signs Pocket Pal, Cell Phone Lingo Sidegaurd for parents, Personalized Pens. They are requesting Inl Cartridge to print completion certificates for the prevention program, a 3 panel table-top display board, and brochure holders.	\$8,061.15	\$4,444.15	Took out personalized crayons, ink pens, and stress balls
2	CFS	CFS is requesting funding to pay for 85% of two new desktops for the Union office (\$1,105), Art therapy supplies for use at the nine parochial schools (\$900), Theareutic curriculm (\$318), Gas Cards (\$1,500), S.A.F.E. training (\$432), Emergency Wrap Around food and personal hygiene (\$3,400).	\$7,655.00	\$4,073.00	Took out training , this should be a part of the unit cost for services. Took out most of the emergency wrap around and 1/2 of gas cards due to a stock pile that they currently have. This needs to be done differently in the future, on an as needed basis instead of getting a bunch of cards.
3	PORTALS	Portals is requesting funding for modification to the current parent education website and also marketing materials for the website and funding for staff time for marketing. Website modification (\$1,350), staff time training on modification (\$180), Advertising at theater and fitness center (\$1,900), Printing (\$250), Creation of still ad (\$150), postage/shipping (\$150), Staff salary (\$2,250), Mileage - it says 1700 miles which would be .93 per mile (\$1569)	\$5,479.00	\$2,980.00	Cut out all Salary and travel. Annie will help with the distribution to the schools. Many organizations ask us for outreach materials with one time funding, but we do not pay staff time for the distribution of those materials for any other organization. - \$950 in marketing - not in fitness center or in cinema -Portals needs to ask before purchasing of marketing.
4	CHC	CHC is asking to pilot a program for intensive in home services for children at risk of being placed outside of the home, or who are returning to the home from a residential/hospital type setting related to a trauma or attachment-based diagnosis. In the first weeks of services the team will be in the home 15+ hours a week. Support will be provided before school, during school, after school, evenings, and weekends to implement therapeutic strategies. The intervention will include engagement of the entire family. Respite hours will also be provided to the family.	\$20,340.00	\$20,340.00	This is much needed! Many of the cases we are seeing through emergency System of Care staffings could benefit from a program like this.

5	KUTO	KUTO would like to present two ASIST (Applied Suicide Intervention Skills Training) trainings. One targeting school personnel and the second targeting Mental Health professionals. This is an intensive, interactive two-day training to help caregivers recognize risk and learn how to intervene to prevent the immediate risk of suicide. Breakdown StL is asking for half of the cost of a portable sound system to help with their Off Stage program that is currently being provided at the St. Clair High School. Breakdown StL started working in the St. Clair High School after the suicide cluster in the 12-13 school year. They started with an On-Stage performance and then began the	\$7,476.00	\$3,738.00	New Organization to us. They have wonderful reputation as giving great trainings. - do one training and prove that there is enough people that are interested in coming to this program.
6	BRKDWN	Grace's Place is asking to be able to provide therapeutic visitation to children in the foster care system. This is in direct response to an unmet need in the community and will be able to speed children along the process of permanency. SOG would contract with qualified mental health professionals that would come to their office to provide the service.	\$3,017.00	\$3,017.00	New Organization to us. They are doing a lot of work with the St. Clair school district. Corrected the amount for covering only June through December. They had the amounts for a full year. Even though this will begin in May, I feel their will be a lag in the beginning so 7 months of funding should be sufficient. The therapist only get 50.00 per hour - no training.
7	SOG	Grace's Place would like to purchase consumable good ink cartridges (\$1,224.92). The would also like to purchase a commercial grade play set and rubber mulch for use of the children in their care (\$8,300).	\$50,066.00	\$22,751.00	
8	SOG	Grace's Place would like to provide supervised visitation for children in the foster care system. This would be a pilot program to speed children along the process of permanency. The child and families would be screened for suitability in using Grace's Place as a supervised visitation site.	\$9,524.92	\$1,300.00	Ground cover only
