- #2 – October 17 & 18, 2019 (Thursday & Friday)

Time: 9:00a – 5:00p both days

Where: 3033 Highway A, Suite 103
Washington, MO 63090

ASIST ~ Applied Suicide Intervention Skills Training

ASIST is a two-day workshop appropriate for ANY community member.

Workshop participants will learn to:

- Recognize opportunities for helping
- Reach out & offer support
- Assess the risk of suicide and apply an intervention model
- Link people with community resources

Attendance required on both days for Certificate of Completion.

Training meets Missouri licensure requirements

Training materials, light lunch, snacks & beverages included both days.

Space is Limited ~ Registration Information Attached
