

Invoicing and Reporting Guide

Payment Cycle: Agencies have a schedule of deadlines:

- Invoices received by the deadline and approved for payment will be mailed within 30 days of the monthly reimbursement deadline.
- Invoices received after the deadline and approved for payment will be processed with the next month's requests.

Fiscal Year Deadlines:

- Final fiscal year invoices are due **by Thursday following the 2nd Monday** of the new fiscal year (no exceptions will be made).

Reporting Deadlines:

- Invoices will not be paid unless all current reports and the most current audit are on file.
- Reporting Period:
 - **Report for 2024/25 Purchase of Services Contracts (July 1, 2024 – June 30, 2025) due on August 30, 2025**

Site Visit and Records Reviews: Due to the number of agencies working on a school year calendar it is necessary for the FCCRB to implement rolling records reviews. This means that the records under review will be those that have been billed since your last records review to date regardless of calendar/contract year. (Example: If your last records review was September of 2019 and you are scheduled for a review in March of 2020, the FCCRB will be reviewing your billing and records from October 2019 through March 2020).
